

# BRICSYS DIGITAL SUMMIT

**October 27, 2020**

**REGISTER NOW**

[summit.bricsys.com](https://summit.bricsys.com)

Connecting  
people and  
companies that  
transform **CAD,**  
**BIM** and  
**mechanical**  
**design** of today

The background features a dark grey field with a subtle grid of light grey dots. A large, semi-transparent grey arrow points from the bottom left towards the top right, partially overlapping the text.

LIVE

# 4+ hours of content

Imagine unlimited design capabilities – BricsCAD V21

Enabling **collaboration between architects, engineers, and builders**, 24x7

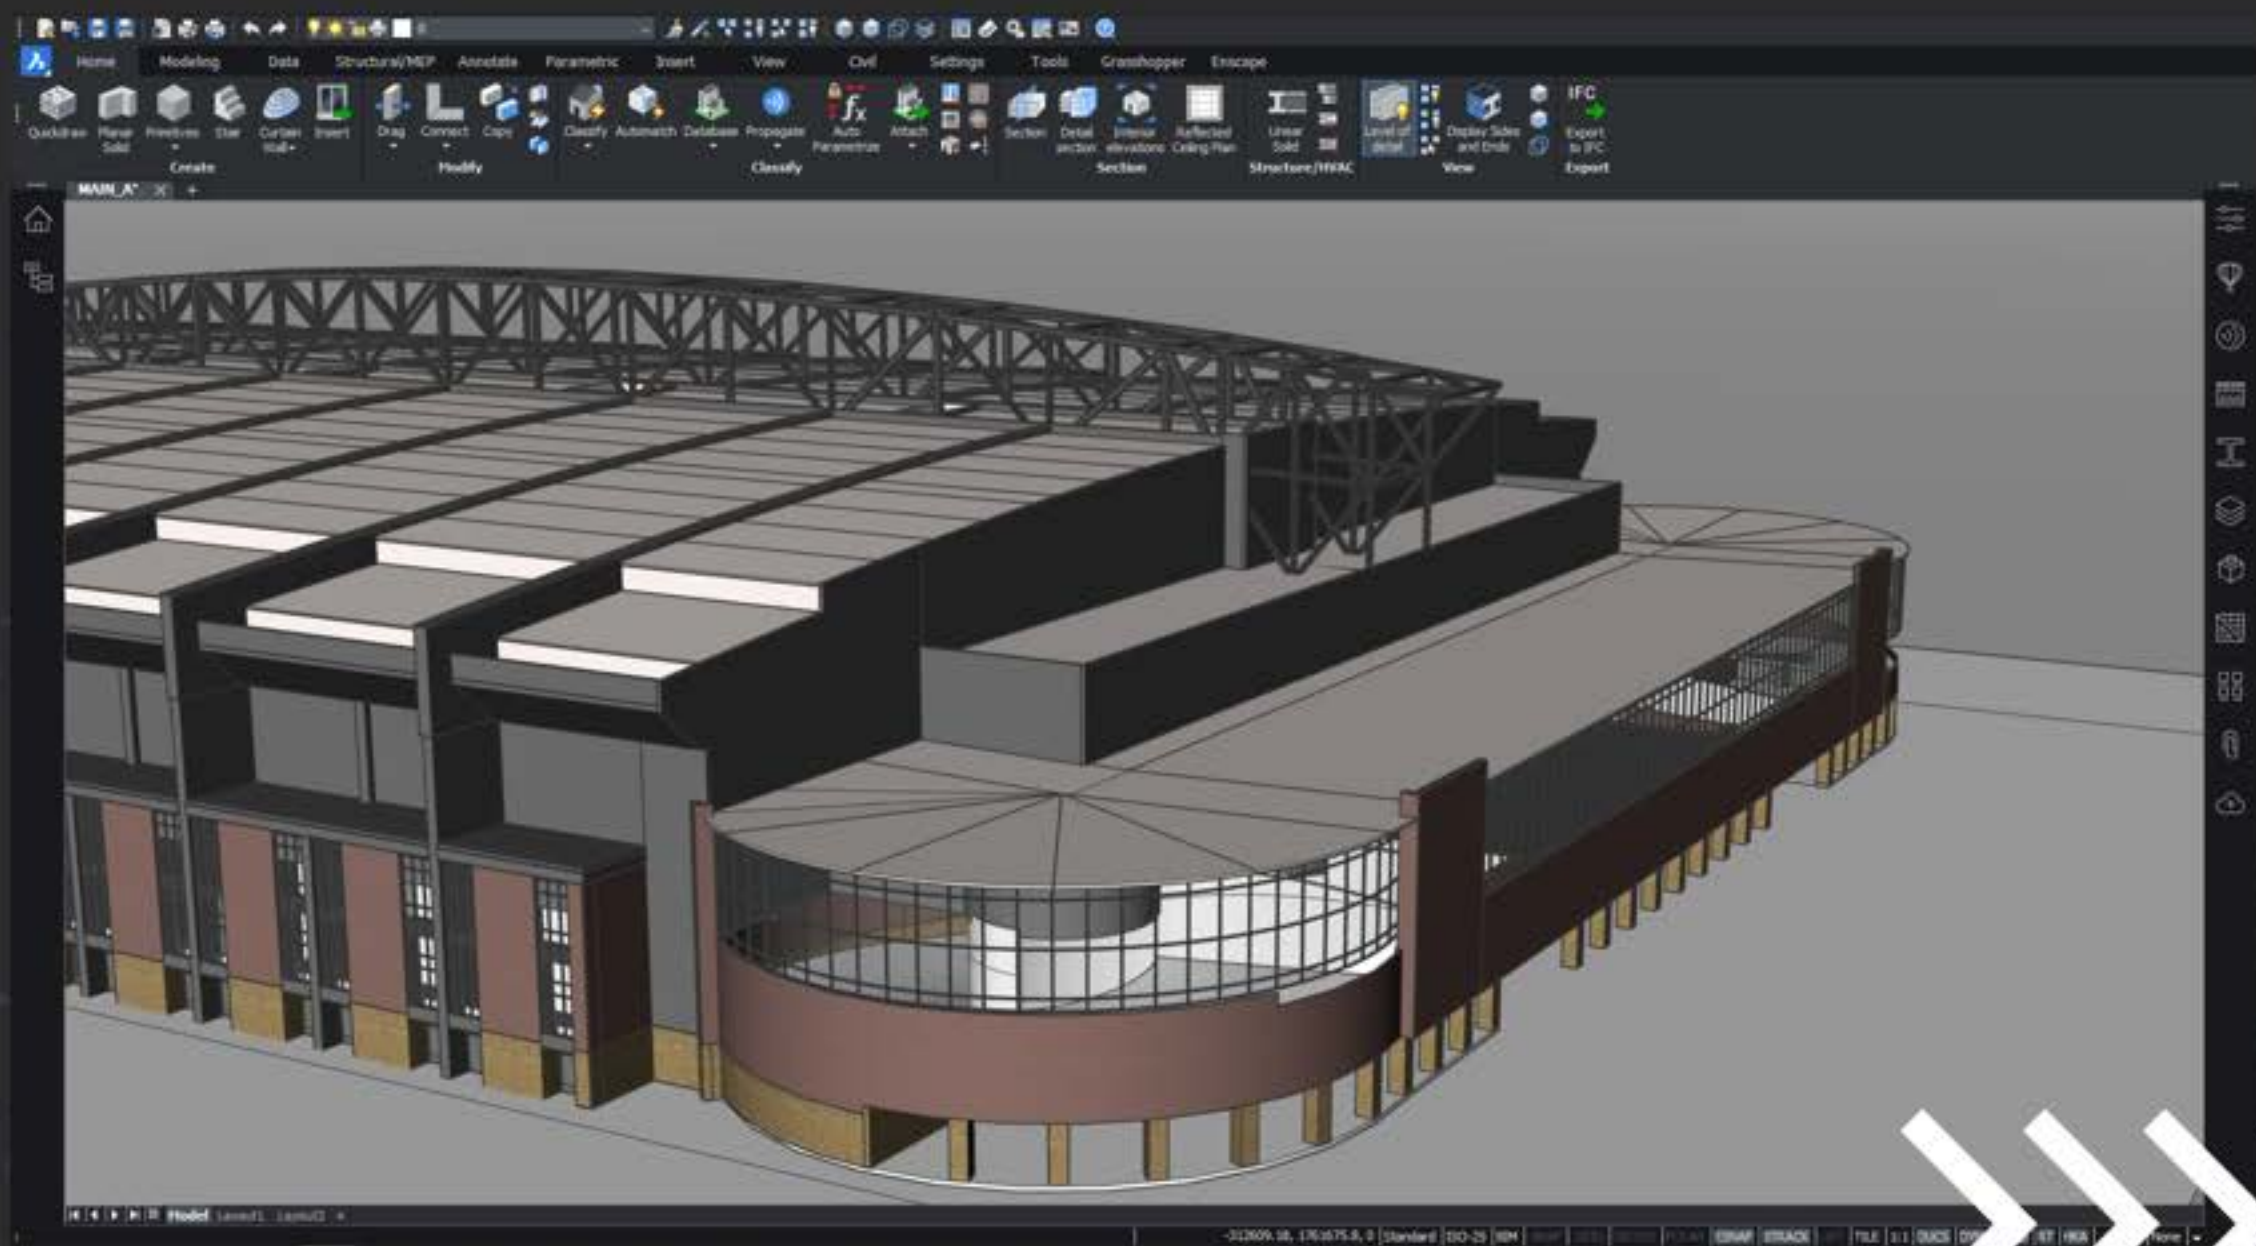

Mechanical assembly design with BricsCAD Mechanical

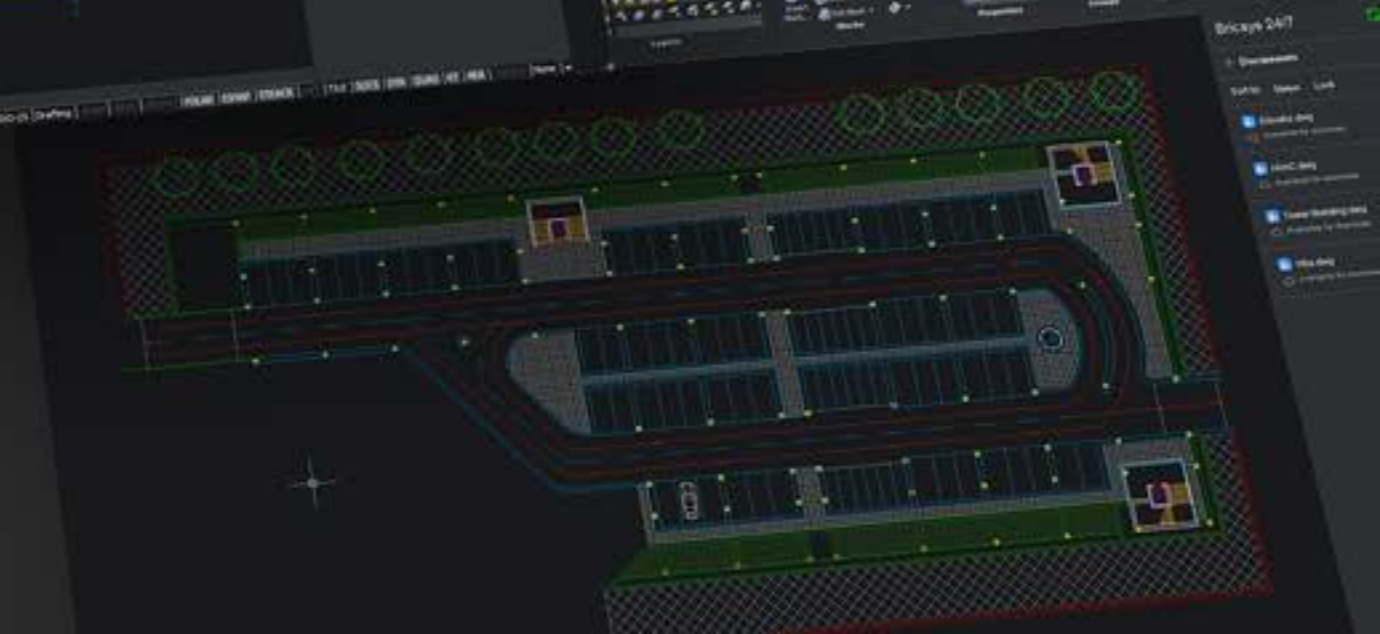

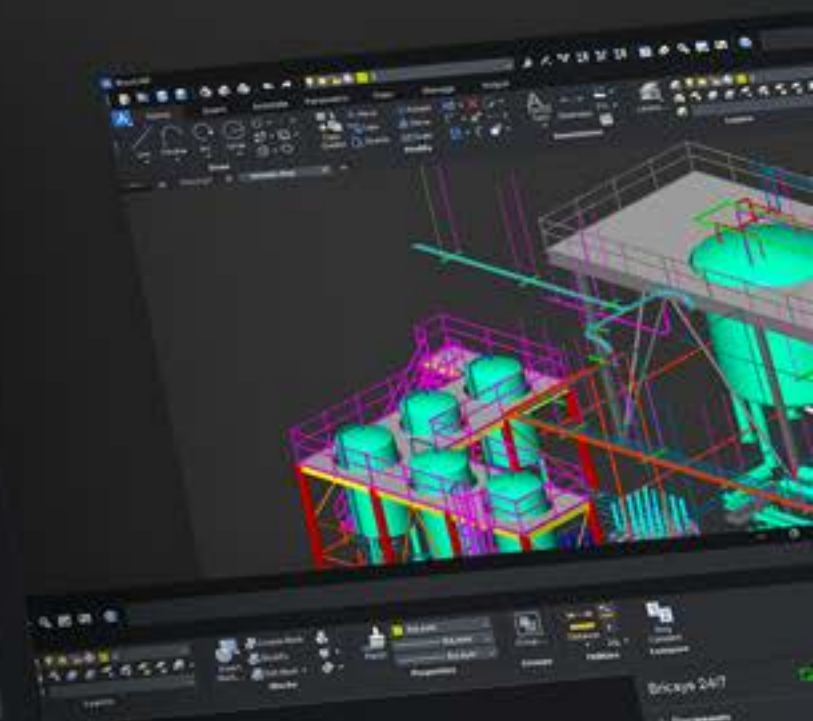

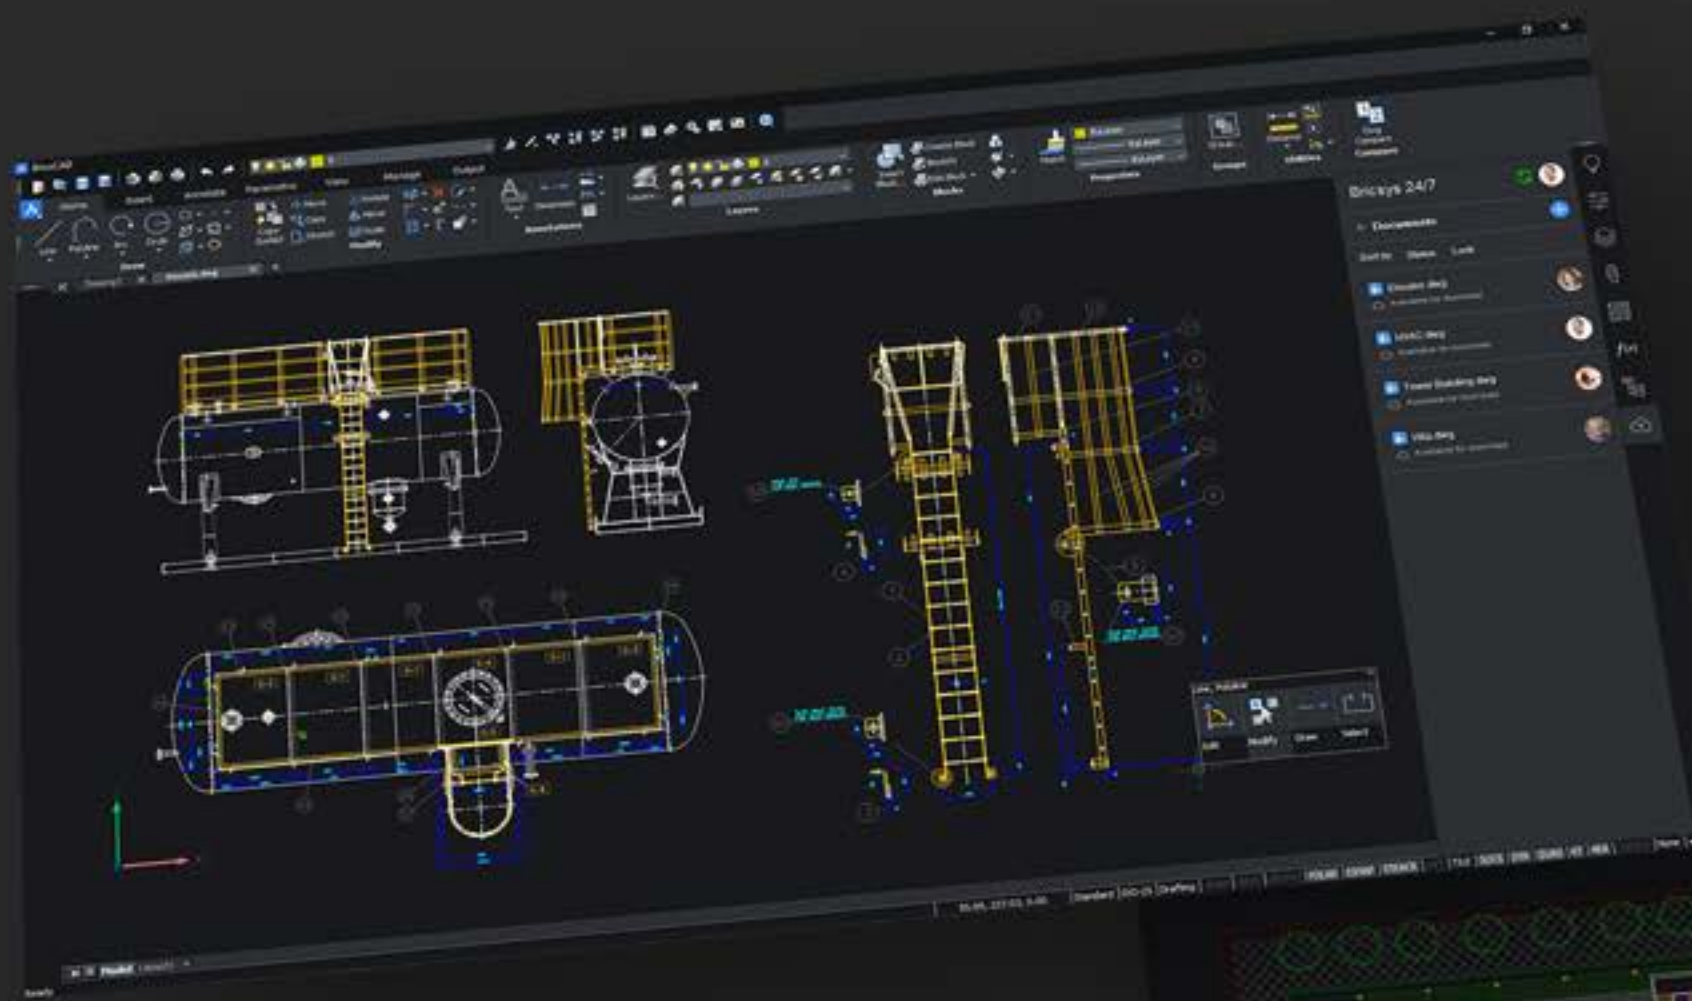

A building design workflow that keeps **'design first'** – BricsCAD BIM

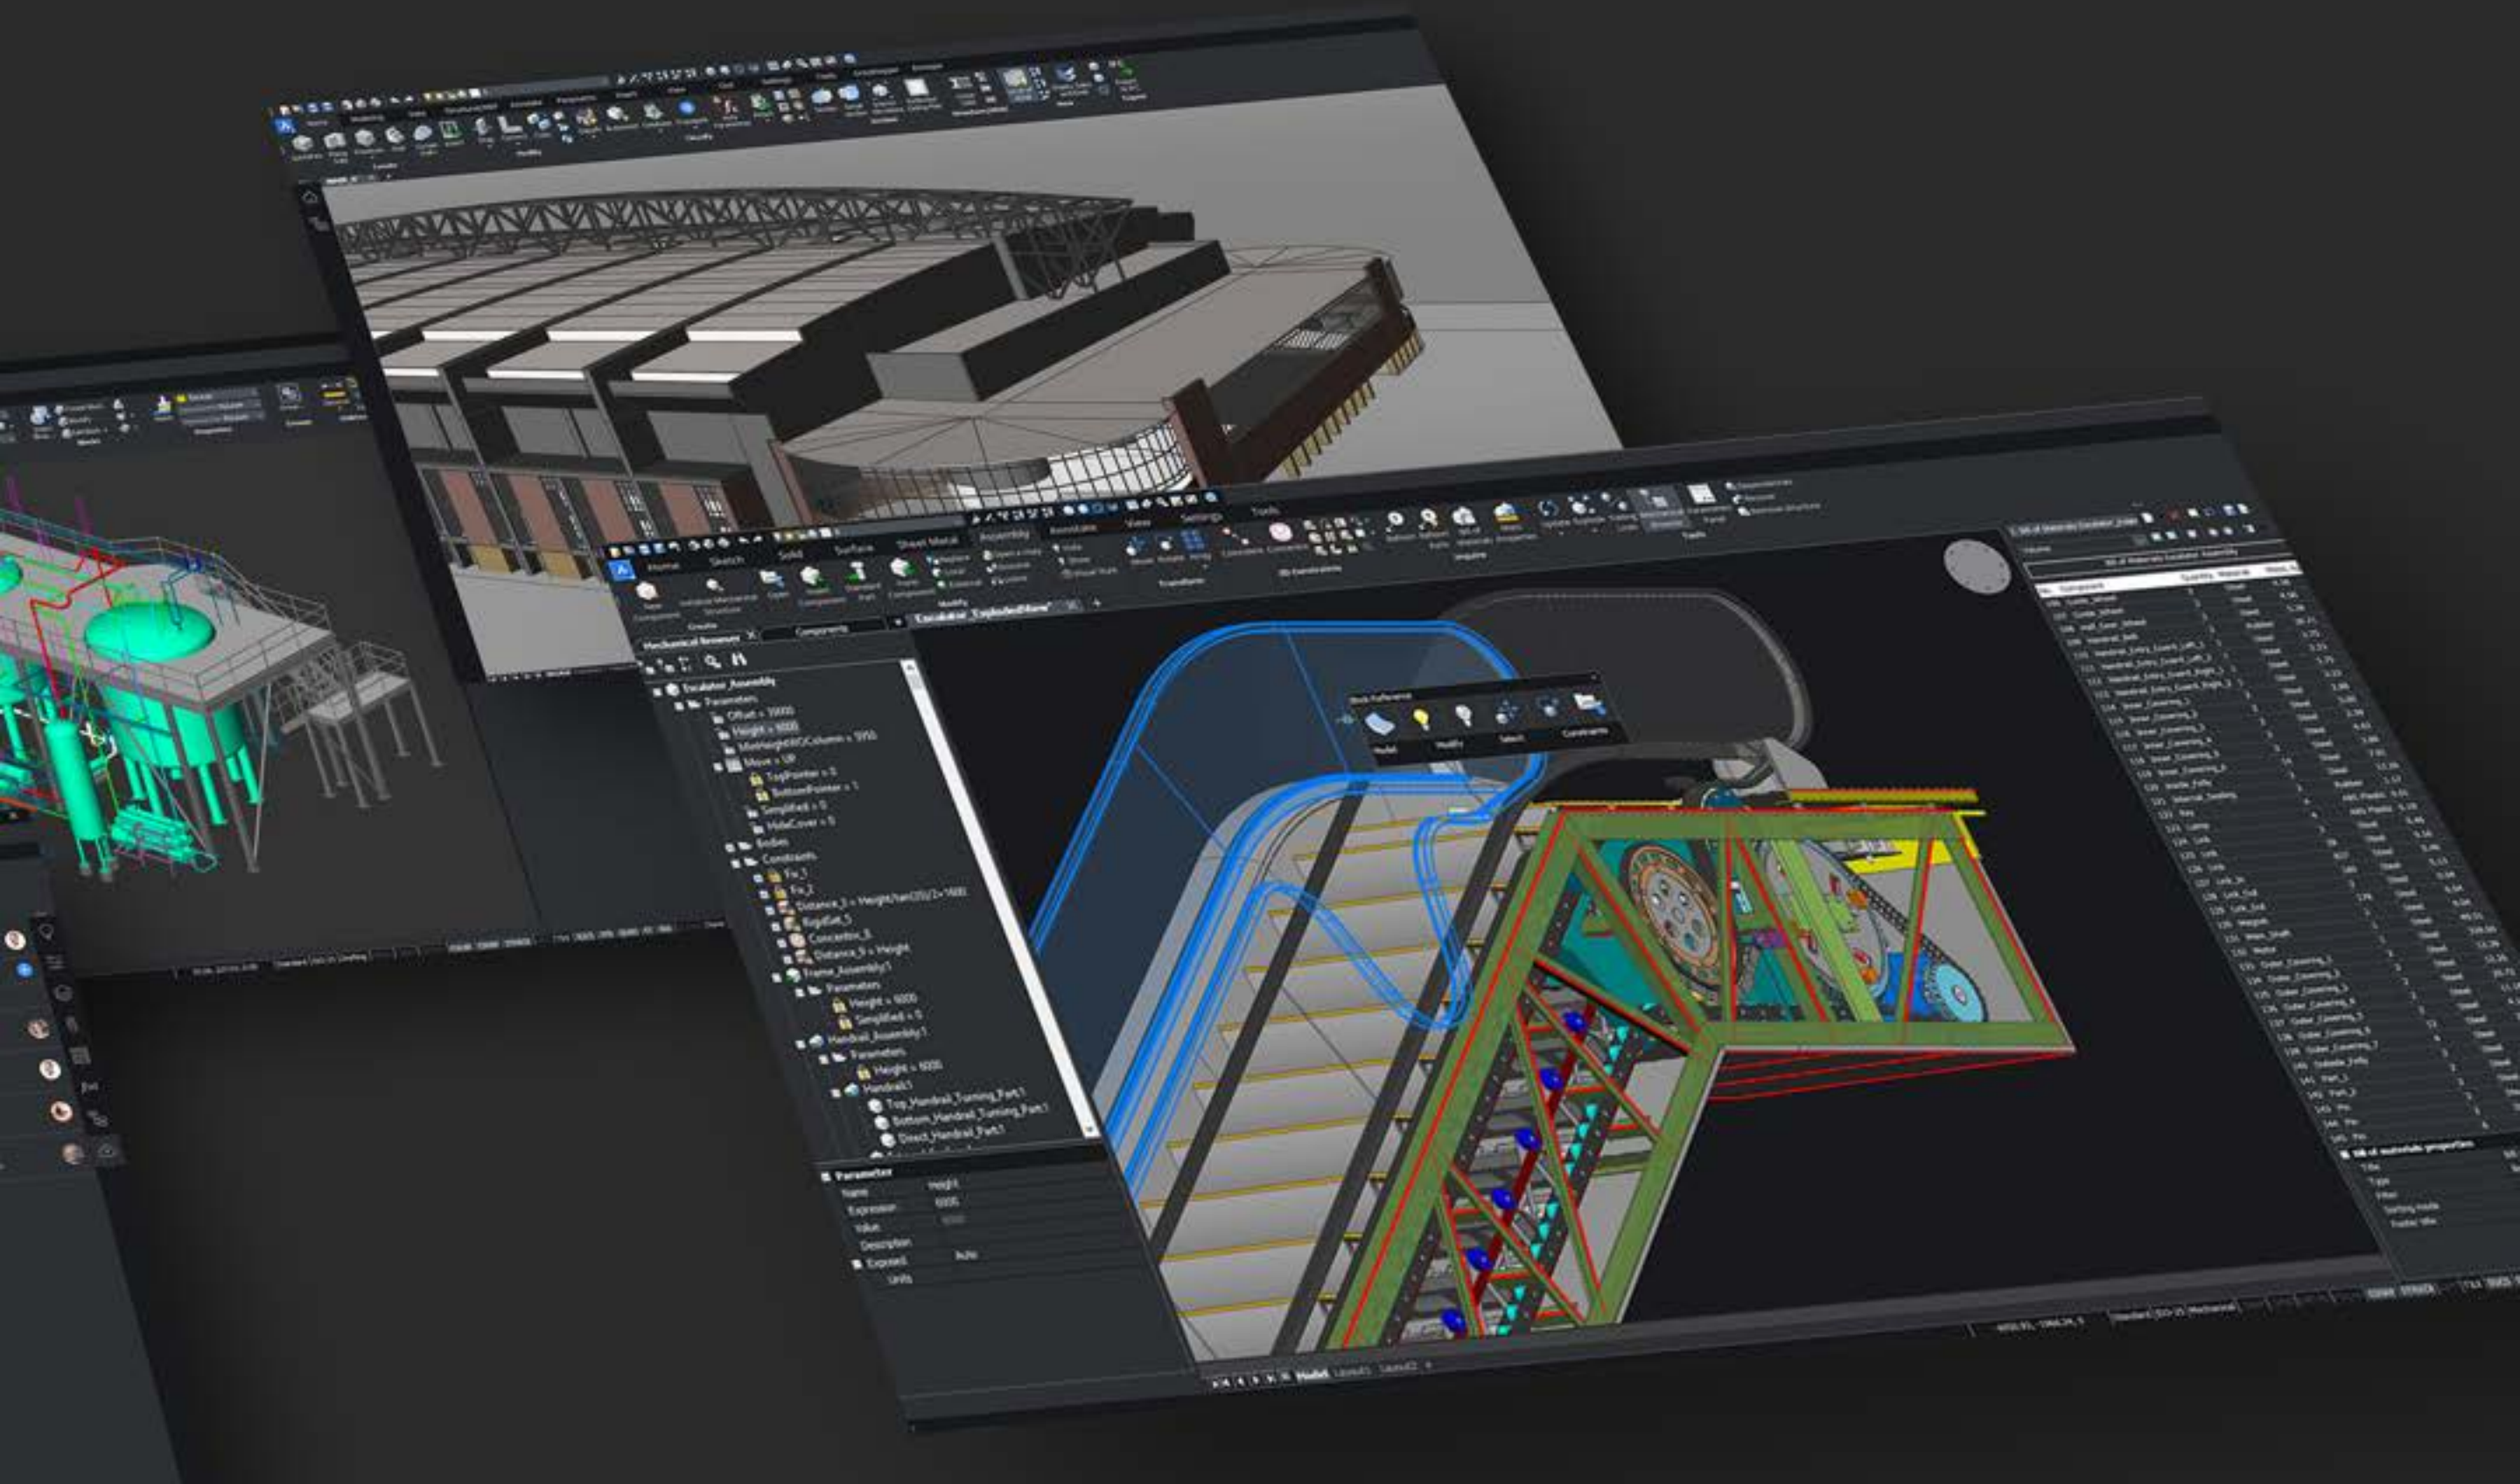

# The official launch of BricsCAD® V21
